

THIRD PARTY AUTHORISATION FORM TO AVOID DISPUTES OF CHARGES AND / OR FRAUDULENT MIS-USE OF A CREDIT CARD

When a guest's accommodation and/or extras are being paid for by a third-party person or company, meaning the card used to make the payment will not be present at the time of check-in, a third-party authorisation form must be completed to avoid disputes of charges and fraudulent mis-use of credit/debit cards.

Banks and other credit card issuers require us to prove that the use of a card has been authorised and approved by the card holder and that at the time such approval is given, the card is in the possession of the card holder.

To satisfy this requirement please provide all the information requested on the below form to ensure prompt processing of your application. We ask you to sign before submission. **Do not send photocopy of the front or back of the credit / debit card with this form, as this is against regulations.**

Please fax the completed form to the hotel on 0161 476 3219.

Please provide a form of identification with the above address to verify authorisation to charge. Acceptable forms are: Drivers licence or utilities bill with the same billing address for personal cards, or a letter of authorisation on company letterhead for corporate cards.

We would like to thank you for your cooperation.
